

Expo for Explo

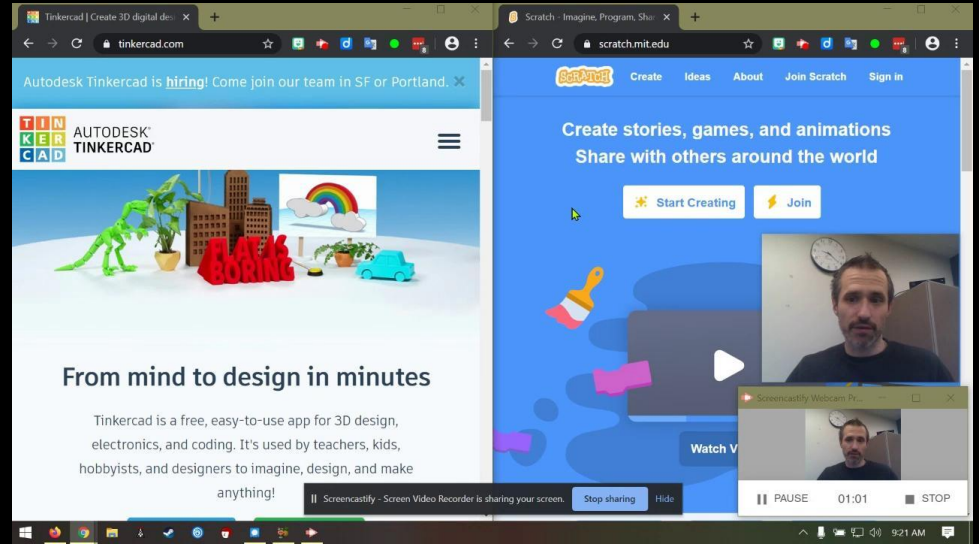

PROGRAMMING AND 3D DESIGN

Learn either (or both) at your speed.

PLEASE START BY
WATCHING THE
INTRODUCTION VIDEO

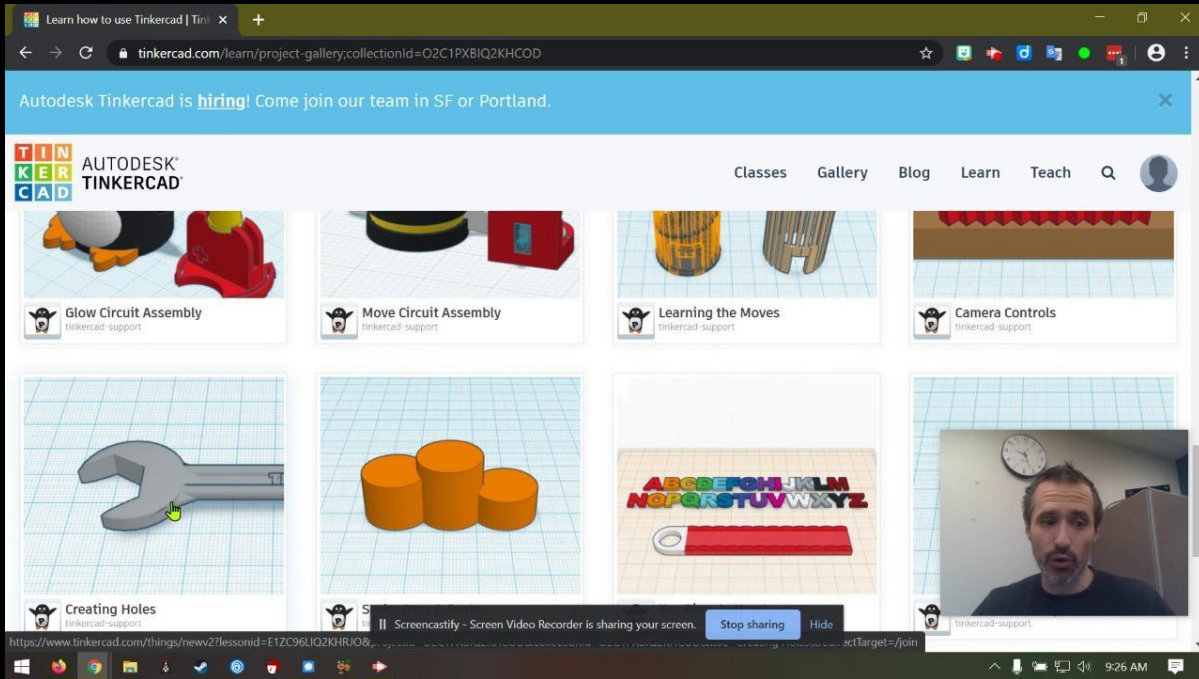

My name is Nick Duda,
if you need anything.

<https://tinyurl.com/ExpoforExploDuda>

Once you watch the Introduction Video (above) please make a choice below.

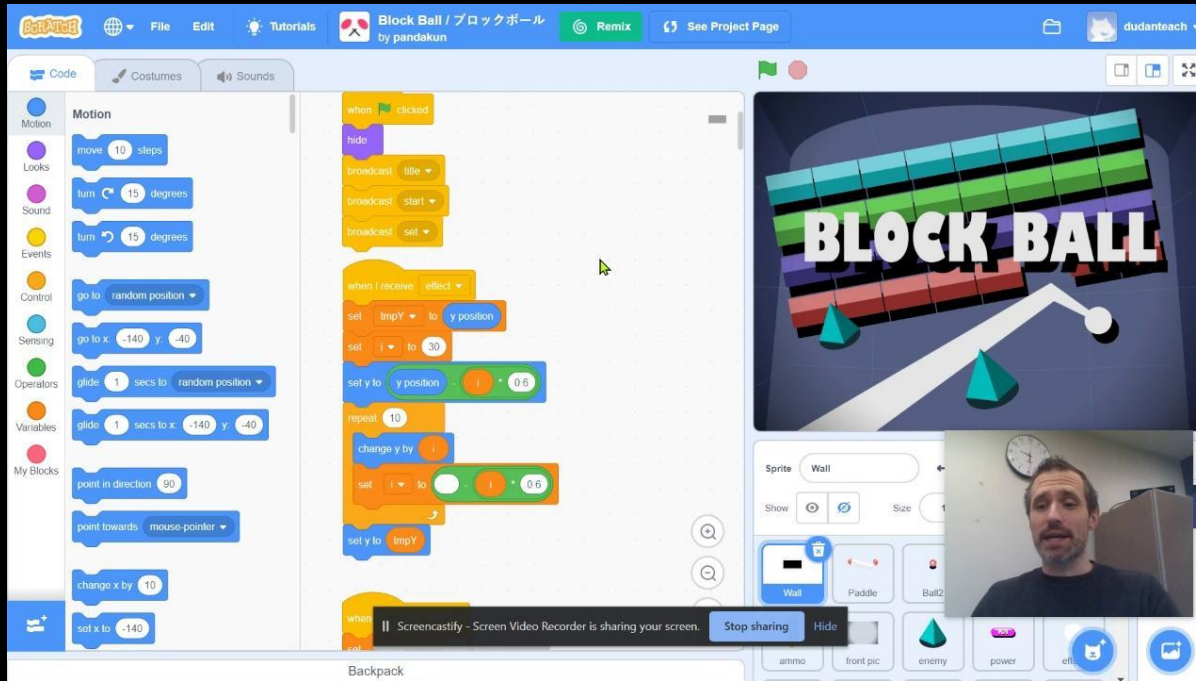

If you'd like to check out Scratch, click the icon below.

For more information about Nick Duda's classes, click below.

If you'd like to check out TinkerCAD, click the icon below.

For more information about Nick Duda's classes, click below.

Thank you for attending!

If you're interested in anything else that I teach, please free to check out my websites:

GRATEFUL

What does "STEM" stand for?

Science

Technology

Engineering

Math

STEM INCLUDES PRETTY MUCH
EVERYTHING IN THE WORLD.
NOW IS YOUR CHANCE TO LEARN
WHAT YOU'D LIKE!
